*Message from the President,*

*Jerry Piña*

The Executive Board and committee members worked very hard on the 38<sup>th</sup> Annual Business Conference, which took place in Beaumont, Texas. It was a success, and it was great meeting many Code Officers that made it to the conference. Moving forward, we are now focused on the 39<sup>th</sup> Annual Business Conference, which will take place at South Padre Island, Texas. Your Executive Board will continue to work on the upcoming conference and provide more regional training throughout our great state of Texas, because as licensed Code Officers, we are here to protect the health, safety, and environment for our communities we work for.

### **Meet the Executive Board and Board of Directors (Left to Right)**

Lois Balka (Treasurer) Lupe Guerrero (Ex-Officio) Ginny Castaneda (1<sup>st</sup> Vice President) Melissa Govea (2<sup>nd</sup> Vice President)

## CODE ENFORCEMENT OFFICER OF THE YEAR

You as members voted to re-name the “Wes Castolenia Code Officer of Year” award to “Reggie Jackson Code Officer of the Year” award. It was a great honor having Reggie’s wife and his kids at the conference in Beaumont.

It is our honor to introduce the first recipient of the “Reggie Jackson Code Officer of the Year” award to Sabrina Graves from the City of Longview.
